

Joint Consultation of VANI and Ministry of Home Affairs on FCRA 2010 will be held at Mumbai on 22nd February. Please write to info@vaniindia.org for further details

FCRA 2010 has a set of requirements that are entirely different from the earlier one. Non-compliance with the stipulated requirements can have serious implications to the voluntary organisations. Due to this, VANI is organizing this joint consultation to provide a platform for the representatives from the voluntary organisations to ask for specific clarifications regarding FCRA 2010.
